# Message from the Founder

December 31, 2017

Dear Friends, Family, Community Associates and Supporters,

On behalf of Walkin' In My Shoes I thank you all for continuing to support our mission these past twelve years. I am amazed by the countless number of people we have helped built team efforts through community together raising awareness, networking partners, and ongoing support in meeting the needs of people of our community.

In October 2016, Walkin' In My Shoes received its second accreditation from the Wisconsin Better Business Bureau, meeting all 20 charitable standards and accountability. As an all volunteer nonprofit staff and volunteers, we continue to be fiscal responsible to our donors and financial transparency for ever dollar we spend . We are very proud of and value the support of our support.

As we look forward to celebrating 13 years of service in the community in 2018, we hope to continue to advance our program services, empower people to look toward the future and I believe as long as we continue to have Hope and God's blessing, we can thrive to do whatever we set our minds to accomplish in life, while ending homelessness in America too!

In this report, I am truly bless and delighted to say that 2017 was a trying year for us we still preserve to continue to help others.

On behalf of Walkin' In My Shoes, I would like to express my heartfelt appreciation to all of you for believing in me. Special thanks to Kenosha Mayor John Antaramian Senator Bob Wirsch, House Speaker Paul Ryan, State Representative Tod Ohnstad, the Kenosha News and Happenings Magazine for your public service and continuing support. Together, we are, indeed, make a difference and change lives in our community. Thank You!

"If you keep my commandments, you will abide in my love, just as I have kept my Father's commandments and abide in his love."—John 15:10 NIV

Sincerely,

*L. A. Wynn*

Founder and Chief Executive Officer  
Walkin' In My Shoes

## Mission

*The mission of Walkin' In My Shoes is to decrease the homeless population in the nation by networking with public, private, religious and other organizations to form strong alliances supporting the efforts of those who want to have and who deserve a better life.*

# Programs

## Street Outreach Program

Is our first point of contact to unsheltered homeless in the city of Kenosha. Our outreach also provide people with a one-time courtesy Survival Backpack well equipped with a meal, sleeping bag, personal care winter wear, and referrals the homeless populations to help improve the living standards of homeless individuals and families through education, skills training, and support to assist their transitions from homelessness to self-sufficiency.

## Night Lite Café

Is an extended outreach services after hours to help street homeless service men and women, chronic veteran, who may/or may not choose to go into agencies for help due to PTSD, and other health related issues meet basic needs such as food and a warm sleeping bag. These services also help people with mental illness, homeless youth, under aged minors (fleeing sexual abusive home), men, women, and children and people with mental disabilities. People who are seen roaming

the streets after 5:00pm cold, hungry, and are coming from coach line bus, and metro train, with no place to go. Have referrals to social service agencies the next day.

## In The Hands of Hope

Is an extended Aftercare Outreach Specialist who goes into the Kenosha County Detention Center three times out of a month to meet one on one with women and men inmates to prepare their discharge plan who were identified homeless prior to their incarceration to prevent them from living on the streets of Kenosha upon their release from prison. An inmate having a backup discharge plan helps aid them with an opportunity to transition back into main stream society and productive citizen.

# Programs

## IDA'S HOUSE

Is an alternative program that provides comprehensive services to meet the needs of homeless and young adults. These services plus short-term assistance includes referrals to education, health care and housing needs to become self-independent. In conjunction with our Homeless Youth Drop-In Center is the first step to assessing the challenges or history of homelessness: The center is open to youth of all ages and safe haven to getting the help they need..

## Steppin' Up

Assist grandparents who are raising their grandchildren in their homes with limited financial resources. who lack basic needs such as food, special care packages throughout the year of food, grocery store gift cards, school uniforms and supplies, holidays at no cost to them. In an effort to help them lessen the financial burden to

## Taylor-Gabbylill Boutique for the Homeless

Is a clothing closet to provide individuals and families who homeless, wardrobe of clothing throughout the year. The clothing are also available for families who of natural disaster, fire, water damage and other natural disasters in our community.

## Healthy Livin' Preventative

Provides clients with financial assistance and transportation cost such as; bus tokens or cab fare to assist homeless youth to get to and from a doctor appointment for a routine physical check-up, up-to-date teen immunization, and dental care check-up, even when their feeling fine. This was done in an effort to promote healthy lifestyle living, obtain a medical history, and teach youth how to eat healthy and reduce cultural childhood obesity. In addition, financial assistance is provided to help them

# Programs

## Seed to Harvest Community Garden

Expanded from our Healthy Livin' Program to provide the homeless, low income families and community resident to have with an opportunity to grow their own food at no cost to them.

## Caden' Kitchen

Is an extension of Seed to Harvest Community Garden program to teach both the parent and child; how to cook homemade nutritional meals grown locally from the Garden. With the focus of keeping a hot meal on the dinner table 7 days a week. We want to end childhood hunger, childhood obesity, food allergy, food waste, juvenile diabetes, food allergy, food budgeting and so much more. This effort would benefit homeless and low to modern low-income individuals and families in Kenosha.

## At The Door

Is Home Sweet Home to former homeless individuals and families with viable income, the opportunity to shift from temporary shelter into permanent housing with supportive services to obtain furniture and basic household items to turn an empty space into a place they can call home.

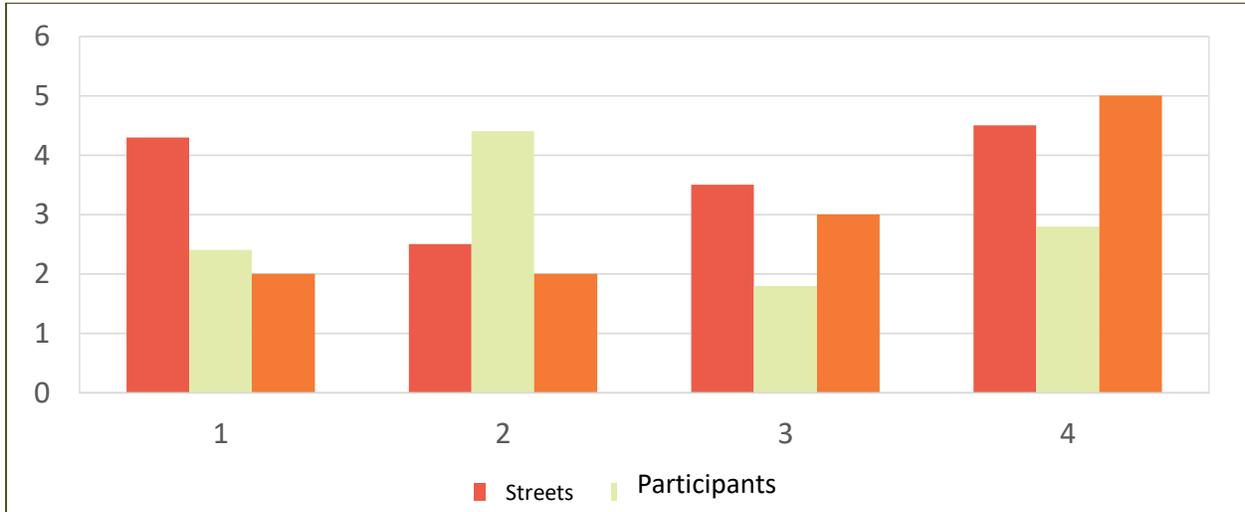

## Resources and Referral Advocacy Services

Provides assistance service related information per month to over 100 individuals, families, churches, schools, hospitals, community members, throughout South eastern Wisconsin and out of state communities each year via phone, emails, social media, and written correspondence that were directed to our agency or word of mouth seeking community resource information to help them access support services in Kenosha designated to assist them to shelter, veteran services, senior program, food pantry, rent assistance, and more to help them remain securely in their home. This initiative has also reduced the number of individuals and families from absorbing services from other nonprofit community partner's agencies who

they may feel they are entitled to the benefits of having.

# Program Impact – (Outputs vs Outcomes)

Walkin' In My Shoes data has continued to see a steady decrease in the number of homeless individuals and families living on the streets of Kenosha through the provisions of our Survival Backpack Street Outreach Program.

The program measurements and outcomes enables individuals and families to identify mental health treatment AODA counseling, reunification, and throughout the year

# Impact Continued

## HOMELESSNESS IN OUR CITY

Street based outreach first approach is to encourage homeless individuals, families and hidden homeless an opportunity for people. The goals to move toward permanent housing independently into shelters, and other transitional housing and permanent housing accommodation support offered meeting their basic needs to benefit long term outcomes. Important for community reintegration, improve health, family reunification, and improve the quality of life.

GENEROUS DONATIONS

### BENEFICIARIES

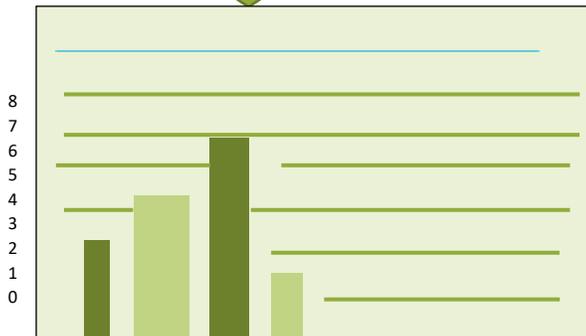

9 OUT OF 10

PARTICIPANTS

ACTION

STATISTICS

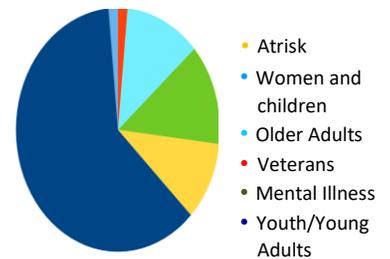

### Sources of Funds

The fundraising, community donations Foundation grants and Federal Community Block Development grant funds.

### Long Term Outcomes

96% accessing food, and clothing. 10% single youth access housed and other services through outreach program obtained social and financial independence. 85% people housed prior to 2017 continue to retain stable housing and 40% people who have left the streets have moved to higher level education and careers. 58% people obtained part-time and full time employment.

### SUBPOPULATIONS

With 9% of property management who have a relationship with for rooming houses, motel to discount accommodations at time to provide temporary housing.

### Impact Story

The street outreach approach enables homeless people to be the go between for other agencies to work with people with mental illness issues finally get the help that they need and move into permanent housing to have a productive life.

Challenges each year continue to be the lack of emergency housing to connect assistance programs which forced many people to remain living a life

# Impact Story 1

For the past 11 years Walkin' In My Shoes has joined in unity with the National Alliance To End Homelessness in America Since 1990, the National Coalition for the Homeless and the National Health Care for the Homeless Council have sponsored National Homeless Persons' Remembrance Day to bring attention to the plight of the nation's homeless population and to encourage the public to act on their behalf.

Each year our organization distribute about 50 winterwear kits, jackets, meal through our organization raised money (donors, fundraising, charity events, etc.), .

## Ray's Story

On December 21, 2017, the Founder Jo Wynn, met a man name Ray at the 11<sup>th</sup> Annual National Homeless Persons' Memorial Day event held downtown at Library park. After the ceremony Mr. Ray walked up to Jo Wynn, and asked her did she mean every word she had spoken to those in attendance experiencing homelessness to contact her doesn't matter when individuals and families to help them safely leave the streets of Kenosha and transitions into emergency/permanent housing. The very next day Mr. Ray was at our office to return the winter jacket he said had a faulty zipper and wanted to exchange it for another. Ms. Jo invited him in and offered to get him a another jacket and have him try

it on. But Mr. Ray had other things on his mind. Jo asked what else could she do to help him passed the survival item. He went on to say that he served in the military 2 tour of duty in the United States Navy in 1972. He asked Jo if she had meant every word that she had spoken in the park. She answered, "Yes". He asked if she would help him get off the streets of Kenosha and into permanent housing. She immediately response, "Absolutely". Jo got to working on his request and connected Ray with the Kenosha County Veteran Administration office. In less than 10 days Mr. Ray met with the worker at the Kenosha County Veteran Administration office and is now living in housing. The VA also provided him with furniture, clothing, food, and any other items he would may want to help make it Home Sweet Home to him.

Community Street Outreach are vital to the work our organization and are the first point of contact with individuals because many like Ray who are experience their own plight with homelessness on any given day will find it difficult to seek help making it a way of life or not just going to come out and announced that they served in the military because of shame and pride and he definitely was not looking for a hand out but a hand up to help get him back on his feet.

Ray also asked that we do not show his photo.

Special tribute to Darryl Kevin Peddicord who died homeless in Kenosha on November 16, 2017

## Impact Story 2

Walkin' In My Shoes have created new programs and success story based on the lives of someone our organization come in contact with and helped leave the streets and into permanent housing with a 92% success and likeliness of people returning back to a life on the street. One is in part of our street outreach approach meeting them where they are, and the wiliness of people wanting to change the plight of homelessness by offering them real solution they themselves must acquire for their lives without the need to micromanage someone's day to day lives. Pursuing their goals to independence through education, jobs, and housing are achieved the future becomes brighter for them.

Walkin' In My Shoes knows the importance for every dollar receives through donor support, fundraising, foundation grants, to purchase basic need items such as (school supplies, meals, college registration fees, over the counter vitamins, etc.), young people are rarely funded to help our youth living with parents who are not adults making adult decision who need to have continuing support system to keep them grounds while living along at such an early age of life.

### Leane Story's

Walkin' In My Shoes came in contact with a 19 year old teenager back in 2008, homeless and hopeless. Who loss both her parents to an illness in the same year. Her and her 5 siblings were all separated, the youngest going into foster care. Lenae embodies the principles that most prize ourselves the most honesty, integrity and loyalty She is compassionate, and loving. we have never complaint about anything. She is intelligent, strong, spiritual and humbly seeking guidance and encouragement and assurance she can rebuild her life Over the years our organization continue to be a driving force to empower and encourage her in anyway possible. She obtain permanent housing, full-time employment with a local bank. She later married with three children and her husband both with strong work ethics both working full-time jobs, homework, meal planning and saving to buy their first home in Kenosha. Lenae keeps going with a promising future. She is one many of the young lives through the provision of our IDA'S HOUSE Homeless Youth Program

Where are they today. Ms. Jo has adopted as her surrogate granddaughter to always be available to keep her going on the right pathway to her future. Lenae stops by the office every once in a while just to check in with Ms. Jo. She volunteers to answer the phone check in donations, remove weeds from the garden and what ever else she can pay it forward. Lenae will be receiving her nursing degree in 2018. We have no doubt all the patients she touch will feel her compassion and inspire their healing. Over time she will continue to tell her own story.

# Thought Leadership

Walkin' In My Shoes organization continues to operations as an all-volunteer organization for the past twelve years in operations. The CEO and Founder continues to manage the organization's day to day operations and do most if not all of the work. She has the abilities, attributes and strengthen to continue to provide meaningful objectives and measurable outcomes.

Walkin' In My Shoes. Investing in our community and solution focus the financial resources and accountability for how we spend donor dollars. The goal of our agency is to seek donations that can fully support both programming and operations to continue to increase the development community outreach in referrals and services to meeting the needs of our community.

service delivery, communication, marketing, and fundraising results across your organization

## Leaders in the Space

Even greater than the ability to inspire others with hope is the power to motivate them to give as much to the lives of others as they would give to their own; and to empower them to confront the worst in themselves in order to discover and claim the best in themselves.--Oprah Winfrey

## Leap of Reason

Walkin' In My Shoes created a performance management logical model **focusing on leadership and collaboration that are the two most important aspects** that has been consistent of community network social-sector hat helps deliver service components to improve the lives of our and coordination of partnership in the local public, private sector performance measurement to engage participants in the outcomes in the ins and outs on social challenges.

## Social Solutions Webinars

Walkin' In My Shoes has taken the opportunity to attend online professional leaders and nonprofit webinars at no cost training to keep up with the latest technology and social media fundraising trends as it relates to social changes, social solutions and world event though the leadership of board of directors, and the people we serve.

## Annual Report

### 11th Annual National Homeless Persons' Memorial Day

December 21, 2017

On the first day of winter, it's extremely cold, during the ceremony. We couldn't withstand the cold on our face for 1 hour. So imagine, how difficult it must be for someone, who has to sleep outside, for more than 1 day in the cold?
